Warm Neutrals

A+B SERIES

BURLY WOOD

NEUTRAL

LQ PVC DECORATIVE FILMS

Flooring and surface colors are gravitating towards neutral and earthy tones.

Design Inspiration

As the popularity shifts from cool grays and stark whites to warmer neutrals like beiges and off-whites, consumers are going for a calmer, more welcoming vibe in their homes.

Sustainability

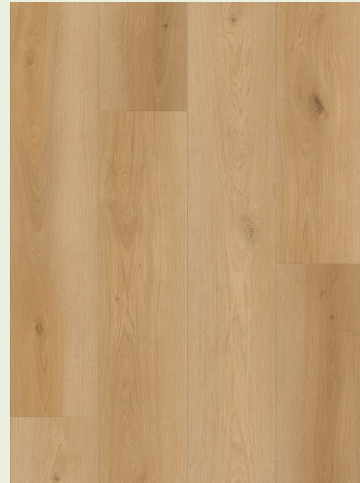

LQ PVC DECORATIVE FILMS

For our individual health to the planet's health, there are multiple reasons people are using sustainable flooring

Design Inspiration

The shift to sustainable flooring options not only reduces one's carbon footprint and can improve indoor air quality, but can also be a durable choice, resulting in less frequent replacement.
