A photograph of a tree stump with ferns. The stump is cut horizontally, showing concentric growth rings in a warm, golden-brown hue. The texture of the wood is visible, with some darker, more porous areas. Ferns with long, feathery green fronds are growing from the top and sides of the stump. The background is dark and out of focus, emphasizing the stump and ferns. The word "Contrast" is written in a large, white, sans-serif font across the upper right portion of the image, and "Diversified" is written in a similar font across the lower left portion.
